# The Ford International Weekly **THE DEARBORN INDEPENDENT**

By the  
Year \$1.50

Dearborn, Michigan, January 22, 1921

Single  
Copy Five Cents

## **The Eighteenth Amendment—One Year Later**

An interesting review of what prominent persons feel prohibition has brought

## **Saving the Water for Our California Fruits**

The great task that Los Angeles County has set for itself in aiding nature

## **Huge Elms That Are Loved by an Entire City**

If a motor car runs wild and hits a tree the story is of the damage—to the tree

## **The Wood Hollow Papers**

A continuation of the series on bird  
life written by Robert Page Lincoln

## **Elinor Glyn in America**

The noted English writer is not the  
vamp she depicts in her love stories

MR. FORD'S PAGE  
EDITORIALS

THE THREE ARTS  
ILLUSTRATIONS

## **Many Men of Many Minds**

Our subscribers say this is one of the most  
interesting of the permanent features

## **The Packet Comes Back**

Just as the Civil War had its influence on  
the river steamers so has the Great War

## **How Jews Capitalized a Protest Against Jews**

When public revolted against Theatrical Trust other Jews came in as "Reformers"

## **The Japanese Side of the California Question**

In which an analysis of the recent vote compared with the Chinese ballot is made

## **Picturesque Cataracts Give City Its Power**

Water-power development helps Spokane occupy its place in the Great Northwest
